Přiřaď texty k symbolům

The interface features a purple border and a top toolbar with buttons for 'Edit', 'Check', 'Reset', and 'Solve', along with a help icon (question mark). The main area contains five symbol cards: a glowing orange camera, a lightning bolt, a white 'T' on a dark background, a camera lens, and a speaker. Below these are three empty rounded rectangular boxes for text input. At the bottom, there are seven text labels in purple rounded boxes: 'zvukové efekty', 'přechody', 'titulky', 'videa', 'obrázky', and 'fotogr'.
